CONTACT@THEARTOFSCIENCCELLC.COM

Welcome to the Art of Science camp held at:

301 37th Avenue North, Room #201, St. Petersburg, FL

Wesley United Methodist Church office building

Preparing your child:

Clothing. The Art of Science is a hands-on camp. Please make sure your child wears clothes that you/they don't mind getting stained or dirty.

Food and Water. Please send a labeled lunch box with your child's name, including lunch and two snacks, along with a labeled reusable water bottle daily. We have water for refills.

Books. We allocate 30 minutes to daily reading during camp. Your child can choose from our book selection or bring one from home (labeled with their name) to read during this time.

Electronics. **No electronics**, including cell phones, tablets and smart watches. The best way to contact your child is by texting the teachers (teachers' names and numbers will be sent in an email before camp begins).

Daily Schedule/Late Pick Up/Parking:

Camp runs from 8:45 AM to 3 PM. Drop off is no earlier than 8:40 AM and pick up is at 3 PM. The aftercare price will be applied if a child is picked up after 3:15. Please text us if you are late. We offer aftercare Mondays through Thursdays, 3 to 5 PM. Please sign up at least 12h in advance for aftercare. The link to sign up is at the bottom of our camps page at: <https://www.theartofsciencellc.com/camps>

When dropping off, please walk your child to the classroom door and sign them in. There is parking on the street, right in front of the church.

Aftercare pick up: The door to the building will be locked after the 3 PM pick up and will be unlocked at 4:45 PM for after care pick up. If you arrive earlier than 4:45, please ring the doorbell *and* text the teacher in charge so they can come open the door for you. We will provide their phone number in the welcome email for each week,

Friday Exhibit. Our camp culminates with an exhibit of the kids' projects, which encourages kids to work on their social skills and to take pride in the work they do. The exhibit starts at 3 PM on Friday. Feel free to invite family and friends. Your child's projects will go home after Friday's exhibit. Please bring a crate, box or large bag on Friday to carry the projects home.

Health and Safety:

If your child shows any symptoms of being sick with anything (even a cold), do not bring them to class. If a child displays any signs of illness, parents will be called to pick them up immediately and keep them home until free of symptoms and not contagious.

We are unable to issue refunds for absences, and we reserve the right to dismiss any child from our program due to behavioral issues without refund.
